

About Your Synergy Jewelry

Synergy Jewelry is infused with love, high vibration energy, and imbued with potent intentions to balance the chakras and elicit cellular harmony. It works to synergize the intention you have for yourself with your natural desire to live to your highest potential, feel happy, and live a purpose-full life.

As an energy tool, Synergy Jewelry relies on the wearer to be effective in transforming their own life. **For optimum effect**, we recommend that you wear your piece for 10 days and say or think your intentions when putting it on and taking it off. You can wear or carry other gemstones with your Synergy Jewelry to amplify the affects of your intentions. Synergy Rocks are a great compliment to your Synergy Jewelry.

The responsibility for manifesting the wearer's intentions is solely with the wearer. Therefore, no express warranties are given and no affirmation of Synergy Jewelry by words or actions will constitute a warranty.

Each unique, one of a kind, piece has been cleansed through meditation and using powerful crystals. **Synergy Jewelry is sensitive to energy**, so it's a good idea to "clear" it as needed or periodically (every 4-6 months). This can be done by placing the piece in a window in the moon light or by laying them on or around quartz crystals, citrine, or carnelian. If you wear your jewelry on a regular basis, we recommend cleansing it more frequently. (It might be worth your while to store it next to a cleansing crystal, such as quartz or citrine, to avoid energetic built up.)

You can wash your piece in warm water and polish the sterling silver with a polishing cloth or silver polish. The stones are fragile and may fade in direct sunlight, please store them in a safe place. If you wear perfume or essential oils, it will likely cause build up. Do not shower, or sleep with Synergy Jewelry. Water (chlorinated and/or salt water) can breakdown the materials that make up the jewelry. It's best to take your pieces off when aligning your physical body with another. **Regular care of your crystals will keep them happy and increase the longevity of your piece.**

Synergy Jewelry is sold on an "as is" basis. The entire risk as to the quality and performance of the jewelry is with the buyer and/or wearer. Should the jewelry prove defective following its purchase, the buyer and/or wearer, and not the manufacturer, distributor or retailer assumes the entire cost of all necessary servicing or repair.

If for any reason you are not happy with your Synergy Jewelry, please do not hesitate to contact us. Your satisfaction is important to us, and we want to hear your concerns. Many of the repairs needed from normal wear are done free of charge.

Merchandise can be returned unworn, in its original condition and packaging within 14 days of purchase date. If jewelry was ordered and shipped outside of the United States, jewelry must be returned within 21 days of purchase date. Customer will be credited for the cost of the jewelry, not including shipping charges.
